

Update Raspberry Pi with the following

```
sudo apt update  
sudo apt full-upgrade  
sudo rpi-eeprom-update  
    #if update is available:  
        sudo rpi-eeprom-update -d -a
```

restart with
sudo reboot

```
sudo apt-get update --fix-missing  
sudo apt install rpi-update  
sudo rpi-update  
sudo apt-get install -y crudini  
sudo apt autoremove
```
